OPENER Basic

Sides face, grand square
Splish, splash I was takin' a bath
Along about Saturday night
Rub-a-dub, splashin' in the tub
A-thinkin' everything was alright
4 girls promenade inside go one time around
Swing your man and promenade on down
Splish, splash just a-takin' a bath
How was I to know there was a party going on

FIGURE

Heads promenade you move it halfway around
Touch 1/4, boys run right
Do a right & left thru, turn 'em there, veer left
Circulate, then chain down the line
Touch 1/4, girls run right
Swing that guy and now promenade alright
Splish, splash just a-takin' a bath
How was I to know there was a party going on

MIDDLE BREAK - CLOSER

Come on the 4 boys promenade one time you know
Get back and swing your lady round you know
Join all your hands, circle left in time
Well do an allemande left your corner, gonna weave down the line
*There was a Lolly-pop and Peggy Sue
Good golly Miss Molly was even there too
Splish, splash just a-takin' a bath
How was I to know there was a party going on
