

Summertime Dream

C - 5024

(Dedicated to the late Beryl Main)

Called By Cory Geis

OPENER, BREAK, & CLOSER: CIRCLE LEFT

*On a trip on down to wonderland

In love among the flowers

**MEN STAR BY THE RIGHT HAND, YOU TURN AROUND FOR HOURS,
ALLEMANDE LEFT YOUR CORNER AND DO SA DO, ALLEMANDE LEFT AGAIN
MY FRIEND AND WEAVE AROUND THE RING**

Birds in all creation

Will be twitterin' in the trees

And down below's a pond I know You can swim in it if you please

And if you come 'round when the mill shuts down

You can see what chivalry means

Let's steal away in the noonday sun

It's time for a summertime dream.

**FIGURE: (HEADS/SIDES) SQUARE THRU FOUR HANDS AROUND MY FRIEND,
FIND YOUR CORNER LADY WITH A RIGHT & LEFT THRU AND THEN, PASS THRU,
TRADE BY, SWING THRU ONCE MORE, BOYS RUN TO THE RIGHT,
FERRIS WHEEL TO THE MIDDLE OF THE FLOOR. SQUARE THRU AND GO NOW
¾ AROUND THE RING, SWING YOUR CORNER LADY, PROMENADE AND SING...**

Where the road runs down by the Butternut Grove

To old Bill Skinner's Stream + (Tom Miller, Jack O'Leary, Tim Crawford, Steve Kopman) +

Do tell at the noonday bell

It's time for a summertime dream.
