OPENER - CLOSER

Sides face, grand square

First time I saw her my heart felt a little bit funny

And I just knew I had to have honey

Circle to the left

(Oh!) Lips like cherry wine feel good touching mine

Left allemande and promenade her back home

I'm such a fool about don't want to live without honey

FIGURE

Heads square thru four hands around

And dosado her, swing thru

Boys trade, boys run

Bend the line, right and left thru

Flutter wheel one time and go, reverse flutter

Why don't you all promenade

Oh, I'm such a fool about don't want to live without honey

MIDDLE BREAK

Four ladies chain 3/4, roll away

Now circle left

And I just knew I had to have honey

Left allemande and weave

Lips like cherry wine feel good touching mine

Dosado and promenade her back home

I'm such a fool about don't want to live without honey
