### OPENER

Sides face grand square  
I go walking after midnight  
Out in the starlight just like we used to do  
I am always walking after midnight  
Searching for you  
4 ladies promenade inside  
Well come on back swing swing and whirl with your own  
Then promenade your ladies, walk 'em right back home  
I am always walking after midnight  
Searching for you

### FIGURE

Well head (side) two couples promenade go halfway 'round  
Down the middle pass the ocean and then extend  
A swing thru tonight, let the boy run right  
As couples circulate, you ferris wheel and then  
You'll do a double pass thru  
First couple partner trade and swing on that corner  
Why don't you all promenade  
I am always walking after midnight  
Searching for you

### MIDDLE BREAK - CLOSER

Well 4 ladies (boys) promenade get a walking 'round you go  
Well get back home and swing with your man (own)  
Join hands and circle left we'll go walking in time  
Then allemande that corner gonna weave that ring  
I walk for miles along the highway  
Well that's just my way  
Swing and promenade  
\*I am always walking after midnight  
Searching for you
