Called By

OPENER - MIDDLE BREAK - CLOSER

Four ladies chain across you go
You turn and chain them right back home you know
Join up all your hands circle to the left go 'round
Allemande that corner then you weave around that town
She looks so fine as she moves on down the line
Swing that girl promenade in time
Ohh, I'm just burning doing the newtron dance
I'm just burning doing the newtron dance

FIGURE

Heads promenade and go half way
Walk into the middle and square thru four I say
Go all the way and do the right and left thru, veer left
You're gonna ferris wheel and now center two pass thru
Square thru three quarters 'round you trade by and then
Swing that corner lady promenade around my friend
Ohh, I'm just burning doing the newtron dance
I'm just burning doing the newtron dance
