

## All My Rowdy Friends

Called By  
David Cox

### Opener & Closer

(Sides Face, Grand Square)

Do you wanna dance – do you wanna party?

I am the BIG D, honey

I'm here to get your party started (four ladies promenade)

Go one time around, come back and swing

Swing your girl and then promenade that ring

I've got a pig in the ground, I've got some beer on ice

'cause all my rowdy friends are coming over tonight

### Figure

Heads Reverse Flutterwheel, do a half-sashay

Slide Thru and then Swing Thru I say

Men Run, Couples Circulate

Chain Down the Line

Flutterwheel across and then Slide Thru

Pass Thru, Swing and Promenade 'em you do

I've got to get home and make sure everything is right

'Cause all my rowdy friends are coming over tonight

### Closer

(Sides Face, Grand Square)

[ramp up the music or make witty, clever comments]

Four ladies promenade get once around the ring

Come back and swing your partner – promenade and then

I've got a pig in the ground, I've got some beer on ice

'cause all my rowdy friends are coming over tonight

### Tag

Move up to the middle and come on back

'cause all my rowdy friends are coming over tonight

'cause all my rowdy friends are coming over tonight
