All four ladies promenade inside that ring
Get back home and swing your man and then
Join hands and circle to the left go moving 'round
Allemande that corner girl and weave around that ring
I'm gonna climb that mountain high
Swing that girl and promenade I cry
I want to see what's on the other side
I'm gonna climb that mountain high

FIGURE

Heads promenade halfway around you go
Sides do a right and left thru and turn that girl
Square thru and get me 4 hands around you know
Dosado that corner and do an eight chain four
(Relay the deucey boys now let her go)
I'm gonna climb that mountain high
Swing that girl and promenade I cry
I want to see what's on the other side
I'm gonna climb that mountain high
