OPENER

Sides face, grand square
Well, I was laying on the beach
I had a good one within reach
When she strolled by she had a body so neat
She was wearing ribbons on a string...whoo
You circle left
I think I'm in love...I think I'm in love
Left allemande, promenade
I don't know about tomorrow but
Tonight I think I'm in love

FIGURE

Well, now those heads (sides) you promenade
Go 1/2 way around the ring
Sides you do the right & left thru
Square thru and count me 4, go movin' round that floor
Dosado and do me an eight chain 4
I think I'm in love...I think I'm in love
Swing your corner, promenade
I don't know about tomorrow but
Tonight I think I'm in love

MIDDLE BREAK

Sides face, grand square
I was shopping at the Safeway store
Had some things but needed more
When she walked by, halter top and short shorts
She could cause divorce court...whoo
You circle left
I think I'm in love...I think I'm in love
Left allemande, promenade
I don't know about tomorrow but
Tonight I think I'm in love

CLOSER

Sides face, grand square
I was working on the bandstand calling good and feeling grand
When she danced by
She had a pretty dress with petticoats
When she twirled I nearly choked...whoo
You circle left
I think I'm in love...I think I'm in love
Left allemande, promenade
I don't know about tomorrow but
Tonight I think I'm in love

TAG

Swing that girl
I don't know about tomorrow but
Tonight I think I'm in love
