OPENER BREAK CLOSE

SIDES FACE, GRAND SQUARE

I was sittin' on a barstool  
Sippin' on a cold brew when she walked in  
A slow-movin' thing, in tight-fittin' jeans  
I turned and I said to my friend --You Circle Left  
I think I'm in love, oh Lordy, Lord, I think I'm in love  
Left Allemande, Swing and Promenade  
I don't know about tomorrow but Tonight I think I'm in love

FIGURE

Well those Heads Lead Right,  
Do the Right & Left Thru, turn that girl and go  
Star Thru, -  
go Forward & Back,  
Pass The Ocean,  
Recycle and go,  
Spin Chain Thru,  
I think I'm in love, oh Lordy, Lord I think I'm in love  
Swing that Corner Girl & Promenade  
I don't know about tomorrow but Tonight I think I'm in love

SIDES FACE, GRAND SQUARE

She was dancin' to a slow song  
Some fella was hangin' on, but she was a-lookin' at me  
With a "come and get it" smile and hold me awhile  
And sweep me right off my feet --You Circle Left  
I think I'm in love, oh Lordy, Lord, I think I'm in love  
Left Allemande, Swing and Promenade  
I don't know about tomorrow but Tonight I think I'm in love

SIDES FACE, GRAND SQUARE

Well ole drinkin' buddy, my mind's still muddy  
From watchin' the way that she moves  
So if you pardon me please, I've got to roll up my sleeves  
And turn all my want to's loose -- You Circle Left  
I think I'm in love, oh Lordy, Lord, I think I'm in love  
Left Allemande, Swing and Promenade  
I don't know about tomorrow but Tonight I think I'm in love
