### OPENER - MIDDLE BREAK - CLOSER

Circle to the left

\*Gonna get out my sycamore shine up my shoes

Meet my baby, gonna tell her the news

Bet my money on a sway back nag

And come home woman with a plenty of stash

Do an allemande left with the corner one, dosado your own

Men star left by the left gonna roll it once around that set

Turn the partner by the right, left allemande tonight

And come on back a dosado promenade take her right back home

Well one foot, two foot, slew foot rag

Dance your honey to the Sugarfoot Rag

Do a little zig and a gig and a zag

Swing your honey to the Sugarfoot Rag

### FIGURE

Head two couples gonna promenade

Get halfway around with your maid

2 & 4 you're gonna star thru

Pass thru with a right & left thru

Turn the girl then roll away

Now turn thru while you're that way

Do an allemande left, now weave the ring

And listen to the steel play the Sugarfoot Rag

Dosado get around your own

Gonna promenade your honey take her right back home

Well one foot, two foot, slew foot rag

Dance your honey to the Sugarfoot Rag

Do a little zig and a gig and a zag

Swing your honey to the Sugarfoot Rag

### TAG

Well, that's the way you do that Sugarfoot Rag

\*Got a big jar of cider and a bottle of wine

One's for my honey and the other is mine

We'll sip on the cider and sip on the wine

Both sip together and have a good time

\*Gonna spend all my money, gonna get on a zag

Teach my honey to do the Sugarfoot Rag

Now walk right up and stomp on the floor

Run up to the middle with a shew fly four
