Hey you walk around that corner now, you see saw your own
You circle left with hazel eyes
Men star by the right & roll it one time around
Left allemande, gonna weave the ring
You wind 'em in and out around and when you meet your own
Dosado and then you promenade 'em home
Well are they blue, green...kinda sorta in-between
Hazel eyes

FIGURE

Heads promenade go about halfway for me
Square thru with hazel eyes
4 hands around, right & left thru for me
Veer to the left and couples circulate
1/2 tag, trade & roll
Pull by and then allemande left
Come back one and promenade my friend
Well are they blue, green...kinda sorta in-between
