

# These Boots Are Made For Walking

Called By  
Glenn Wilson

## OPENER

Sides Face Grand Square

You keep saying, you got something for me

Something you call love, but confess

You've been a'messin', where you shouldn't 've been a'messin'

Left Allemande and Weave around the Ring

These boots are made for walking, I mean just what I say

Swing that girl around, you're gonna Promenade today

These boots are made for walking, and that's just what they'll do

One of these days these boots are gonna walk all over you

## FIGURE

Head 2 Couples Promenade go Halfway

Down the middle and Pass the Ocean there, Extend

Swing Thru and now, Spin the Top

Boys move up, Slide Thru and then

Swing Thru, Boys Trade, the corner lady Swing

Keep that girl and Promenade around the ring

These boots are made for walking, and that's just what they'll do

One of these days, these boots are gonna (walk all over you)

## MIDDLE BREAK

Sides Face Grand Square

You keep lyin', when you oughta be truthin'

You keep losing, when you oughta not bet

You keep samin', when you oughta be a'changin'

Left Allemande and Weave around the Ring

These boots are made for walking, I mean just what I say

Swing that girl around, you're gonna Promenade today

These boots are made for walking, and that's just what they'll do

One of these days, these boots are gonna walk all over you

## CLOSER

Sides Face Grand Square

You keep playing where you shouldn't be playing

And you keep thinking that you'll never get burnt (HAH)

I just found me a brand new box of matches (YEAH)

Left Allemande and Weave around the Ring

These boots are made for walking, I mean just what I say

Swing that girl around, you're gonna Promenade today

These boots are made for walking, and that's just what they'll do

One of these days, these boots are gonna walk all over you
