

These Boots Are Made For Walking

Called By
Ken Bower

OPENER - MIDDLE BREAK - CLOSER

Four ladies promenade go inside the ring
You're gonna get along home and swing there with your date
Join 'em up hands and circle left, I wanna see you walking now
Do an allemande left and a right & left grand today
These boots are made for walking, I mean just what I say
Swing that girl around, you're gonna promenade today
These boots are made for walking, and that's just what they'll do
And one of these days these boots are gonna dance away from you

FIGURE

Head couples promenade go half around that floor
Come down the middle with a right & left thru back home
You're gonna square thru in the middle and get four hands around that ring
Do a dosado around the corner there
Come on swing thru and then, boys trade, the corner's there
Swing that girl around and promenade that square
These boots are made for walking, and that's just what they'll do
And one of these days these boots are gonna dance away from you
