OPENER - MIDDLE BREAK - CLOSER

Circle left

*Pardon me, but you've had my attention
Ever since you strolled into the room
Allemande left your corner, dosado your own
Men star left and roll it once inside you roam
Turn Thru with the partner and you go left allemande
Swing that girl and then you promenade
And if you're up to taking a chance on love
Why not take a chance and come along

ALTERNATE LYRICS

*Maybe you and I could go out together
And later on we could go out on the town

FIGURE

Well, heads promenade and travel halfway
Walk into the middle and do a full square thru
4 hands around, right & left thru now
Pass thru, trade by, slide thru, right & left thru
Ladies lead, dixie style and make your wave
Boys cross fold, swing and promenade
And if you're up to taking a chance on love
I don't know of a better time than this
