

## Easy To Please

DR-1028

Called by  
Grace Wheatley

### OPENER - MIDDLE BREAK - CLOSER

Sides face, grand square

I'm easy to please

Pleasing you pleases me

I don't need the moon and star

Just you the way you are

Four ladies chain

I'm easy to please

Chain them back

Keep them, promenade

Cause love is everything you are to me

### FIGURE

Heads square thru 4 hands and go

Find the corner lady dosado

Swing thru and then boys run right

Bend the line, a right & left thru

Pass the ocean and recycle too

Swing that corner lady, promenade

I'm easy to please

Pleasing you pleases me

### CLOSER

Circle left

I'm easy to please

Pleasing you pleases me

Men star right one time around now

Allemande left that corner lady, weave the ring

I'm easy to please

Swing her, promenade and go

Cause love is everything you are to me
