

Walkin' With My Angel

DR-1030

Called by
Hal Dodson

OPENER - MIDDLE BREAK - CLOSER

Sides face, grand square
Ain't no guy in town
Who would ever try to put me down
When I'm walkin', walkin'
With my angel - oh-oh-oh
Four ladies promenade inside that ring
Back home you swing and promenade and then
That's when I'm walkin', walkin'
With my angel

FIGURE

Heads square thru four hands go round
And with your corner do a dosado (make a wave)
Recycle and then sweep 1/4 my friend
Slide thru right there and do a right & left thru
Dive thru and square thru go 3
Swing that corner, promenade you see
That's when I'm walkin', walkin'
With my angel
