OPENER

Circle left

There was a time when all I did
Was wish you'd tell me this was love
Left allemande, do a dosado,
left allemande, weave the ring
Sometimes the snow comes down in June
Sometimes the sun goes round the moon
Just when I thought our chance had passed
You go and save the best for last

FIGURE

The heads (sides) square thru 4 hands around
Make a right hand star
The heads star left turn it one time around
Dosado that corner girl
Swing thru and then boys trade
Swing with that girl and all promenade
Just when I thought our chance had passed
You go and save the best for last

MIDDLE BREAK

Sides face, grand square
How could you give your love to someone else
And share your dreams with me
Sometimes the very thing you're looking for
Is the one thing you can't see
4 ladies chain across that ring
Chain 'em back home and all promenade
Just when I thought our chance had passed
You go and save the best for last

CLOSER

4 ladies chain that ring you turn that girl
Rollaway, circle left go round
4 ladies rollaway, you circle again
Left allemande, weave that ring
But now we're standing face to face
Isn't this world a crazy place
Just when I thought our chance had passed
You go and save the best for last

TAG

Just when I thought our chance had passed
You go and save the best for last
