

The Morning After

GMP-1014

Called by

OPENER

Sides face, grand square
There's got to be a morning after
If we can hold on through the night
We have a chance to find the sunshine
Let's keep on looking for the light
Allemande left and weave
Oh can't you see the morning after
It's waiting right outside the storm
Swing and promenade
Why don't we cross the bridge together
And find a place that's safe and warm

FIGURE

Heads you square thru go 4 hands around
You make a right hand star and go
Heads star left and roll it one time around
To the outside two go right & left thru, do a 1/2 sashay
Pass thru, do a u-turn back
Swing and then you promenade
We have a chance to find the sunshine
Let's keep on looking for the light
