

## The Wonder Of You

GMP-103

Called by

### OPENER - BREAK - CLOSER

Sides face, grand square  
When no one else can understand me  
When everything I do is wrong  
You give me hope and consolation  
You give me strength to carry on  
(Allemande and weave)  
And you're always there to lend a hand  
In everything I do  
That's the wonder, the wonder of you

### FIGURE

Head couples promenade go halfway  
Walk in and square thru go four  
All the way and then a right and left thru  
Veer left and ferris wheel around  
Square thru and go three quarters and then  
Swing your corner girl around and promenade  
That's the wonder, the wonder of you

### ALTERNATIVE LYRICS

Each time you smile the world seems brighter  
You touch my hand and I'm a king  
Your kiss to me is worth a fortune  
Your love for me is everything  
I guess I'll never know the reason why  
You love me as you do
