

## Silver Screen Cowboys

GMP-106

Called by  
Doug Bennett

### OPENER

Sides Face Grand Square  
The last of the silver screen cowboys  
The last of a fast dying breed  
With cattle a grazin' and six-guns a blazin', Lord  
This is what America still needs  
All four ladies Chain across the ring now  
You Chain the ladies home and Promenade  
Don't push him around 'cause more than one villain's found  
He don't back down from a fight

### FIGURE 1 + 2

Heads Promenade go half way  
Sides go Right and Left Thru  
Square thru and go four hands around you know  
Do-Si-Do and do an Eight Chain four  
Roy and Trigger we love you (Jean Lash and Racks were our heroes)  
Swing and Promenade her my friend  
I wish we could turn back the pages  
And ride those old trails once again

### MIDDLE

Sides Face Grand Square  
The last of the silver screen cowboys  
They settled the score with the fists  
They love little babies, treat woman like ladies  
But it's only a horse that they kissed  
All four ladies Chain across the ring now  
You Chain the ladies home and Promenade  
Six-guns were quicker, cause we don't drink liqueur,  
Two glasses of buttermilk will do.

### FIGURE 3 + 4

Sides Promenade go half way  
Heads go Right and Left Thru  
Square thru and go four hands around you know  
Do-Si-Do and do an Eight Chain four  
Puppy and Tupper we love you (Lone ranger and Tupper were heroes)  
Swing and Promenade her my friend  
I wish we could turn back the pages  
And ride those old trails once again

### CLOSER

Four ladies Promenade the ring now,  
Come back and Swing that cowboy man,  
Join hands and Circle to the left now  
Allemande Left that corner, Weave the ring  
Wind it in and out and when you meet  
Swing your man and Promenade him home  
But memories don't die, you're still ridin' high,  
The last of the silver screen cowboys
