

## Little Bit Is Better Then Nada

GMP-107

Called by  
Doug Bennett

### OPENER - BREAK - CLOSER

Circle left

Little bit is better than nada

Sometimes you want the whole enchilada

Walk out around the corner then you see saw your girl

Left allemande and weave the ring

Little bit is better than nada

Swing and promenade what you gotta

Cause a little bit is better than nada

When it's a little bit or nothing at all

### FIGURE

Heads square thru in the middle and count to four

Right & left thru, turn your girl senior

Swing thru and then, boys run right

Half tag, scoot back, walk right in tonight

Boys run right and square thru 3/4 round

Swing a seniorita, promenade her around

But these words keep ringing in my ear
