OPENER - MIDDLE BREAK - CLOSER

Circle left

How can I make you believe

How happy I am when you're with me

Left allemande the corner, come back and box the gnat

Pull by, left allemande, and weave the ring like that

I'll never let go of your hand

Swing with your own and promenade the land

I'll never stop caring, I'll always be true

I'll forever love you

FIGURE

1 & 3 rock forward and back, square thru go 4

A promise is a promise

Do an eight chain 4

You give me courage when all hope is gone

Spin chain thru and now, keep moving along

I'll never let go of your hand

Swing that corner around and promenade 'em again

I'll never stop caring, I'll always be true

I'll forever love you
