Circle Left

I've been alive forever,
and i wrote the very first song
Allemande your corner come on back a dosado
men star left around you know
Turn the partner there by the right round, allemande left
come back and promenade around
I write the song that make the young girls cry
I write the song, I write the song

FIGURE

Heads promenade travel half way, down the middle square thru go four
Go all the way and do a right and left thru,
slide thru and square thru four more
I write the songs that make the whole world sing
Trade by swing and promenade the ring
I write the songs that make the young girls cry
I write the songs, I write the songs
