

It Might As Well Be Spring

GMP-117

OPENER - CLOSER

All 4 ladies (boys) promenade the inside, get back swing with your man
Join hands, circle to the left around you know
Left allemande and you weave
I'm as busy as a spider spinning daydreams
Swing your girl and promenade the ring
Oh, why do I have spring fever
It might as well be spring

FIGURE 1, 3

Heads (sides) promenade & travel 1/2 way
Down the middle & pass the ocean there, extend
Swing thru & then, boys will trade
Single hinge, split circulate 2 times
Boys fold & do a double pass thru
Girls turn back, swing & promenade
Oh, why do I have spring fever
When it even isn't spring

FIGURE 2, 4

Heads square thru and count 4 now
Round the corner, dosado
Box the gnat and then, fan the top my friend
Move up, step thru and do a 1/2 sashay
And you courtesy turn that girl & then pass the ocean,
Swing thru, you swing and promenade
Oh, why do I have spring fever
When it even isn't spring

BREAK

All 4 ladies promenade the inside, get back swing with your man
Join hands, circle to the left around you know
Left allemande and you weave
I'm as restless as a widow in a windstorm
You swing your girl and promenade the ring
Oh, why do I have spring fever
It might as well be spring
