

## **She's Every Women**

GMP-119

Called by  
Doug Bennett

### **OPENER - MIDDLE BREAK - CLOSER**

Sides face, grand square  
She's sun and rain, she's fire and ice  
A little crazy but it's nice  
And when she gets mad, you'd best leave her alone  
Allemande left and weave  
She'll rage just like a river, then she'll beg you to forgive her  
She's every woman that I've ever known

### **FIGURE**

Here's where the heads square thru go 3  
Separate round 1 make a line for me, star thru, zoom  
Right & left thru and then  
You pass thru, dosado the outside pair my friend  
Slide thru and square thru go 3  
Swing that girl and you promenade for me  
Oh, she's every woman that I've ever known
