

# Too Old To Grow Up

GMP-201

Called by  
Mike Bramlett

## OPENER - CLOSER

Circle left

I'm too old to grow up now  
I can't change, I don't know how  
Men star right one time around  
Left allemande, weave the ring  
I'm too old to grow up now  
Swing with your girl and promenade her round  
I'll be a kid until they lay me down  
'Cause I'm too old to grow up now

## FIGURE

Heads promenade halfway around  
Walk in and square thru four hands round  
Go all the way and do a right and left thru  
Star thru and square thru four more  
I'm too old to grow up now  
Trade by and Swing and promenade her round  
I'll be a kid until they lay me down  
'Cause I'm too old to grow up now

## MIDDLE BREAK

Sides face, grand square  
I'm still a fool for a pretty face  
I'm out all night and I still chase  
Those younger girls but they don't seem to  
Mind allemande left and weave  
They love me just the way I am  
An easy going good time man  
I'm havin' too much fun to leave this life  
behind

## TAG

Too young to slow up, yes I'm too old to grow up now
