I guess your prince charming, wasn't after all
Cause he sure seemed different after the ball
Do an allemande left that corner girl, come back a do si do
You do an allemande left with corner girl and weave the ring
Cause it's midnight cinderella, time that you should know
There's gonna be some changes in the way this story goes
It's midnight cinderella, but don't you worry none
I'm Peter, Peter the pumpkin eater and the party's just begun

FIGURE

Heads promenade half way go, half way around the ring
Down the middle square thru, four hands a rollin' i sing
Go all the way and then you do the right and left thru
Veer left couples circulate, say bip-bip-bopety-boo
Chain down the line, turn a lady and square thru go three
Swing and wirl the corner girl and promenade for me
Cause it's midnight cinderella, but don't you worry none
I'm Peter, Peter the pumpkin eater and the party's just begun
