

## A Kind Of Hush

GMP-207

Called by

### OPENER - MIDDLE BREAK - CLOSER

Circle left

Well there's a kind of hush

All over the world tonight, all over the world

Well the men star right hand rollin' round

Left allemande and weave

Just the two of us, and nobody else in sight

\*There's nobody else, just the two of us

\*Are lovers in love

### ALTERNATE LYRICS

\*There's nobody else, and I'm feelin' good

\*Just holdin' you tight

### FIGURE

Well the heads square thru and count 'em 4 hands around

Make a right hand star and turn it one time around you know

Head man reverse flutter wheel

Pick a girl up, bring her back, sweep 1/4 more and then

The sides square thru and take 'em 4 hands you know

Swing that corner, promenade her one time and go

Forever and ever

### TAG

Are lovers in love
