You walk around that corner, see saw your own

Turn that partner by the right it's full turn and then
Allemande left with corner girl and weave that ring
And where'd you lean to love like that
Hows been teaching you
Swing that girl promenade round you do
You to sweet and inecent to have a learn to free
And where'd you lean to love like that the way you lovin me

Heads make a left hand star find the corner girl
Flutter wheel the girl move in get the boy
And soon lets all veer left
Do a half tag, do a walk and dodge, partner trade
Right and left thru turn the girl
And ladie lead do a double pass thru
Girl go left the boy go right
Allemande left with the corner you swing and promenade
You to sweet and inecent to have a learn to free
