

## Do You Know You Are My Sunshine

GMP-306

Called by  
Darryl Lipscomb

### OPENER

Sides face, grand square

She was standing in the crowd all alone and lookin' pretty

Listening to the music that we played

She walked up and whispered, I leaned down and listened

To the request that she made

Circle left

(Do you know) Do you know you are my sunshine

Left allemande, come back and promenade

(Do you know) Do you know you are my sunshine

And would you do it one more time for me

### FIGURE

Heads square thru in the middle and take 'em four you know now

Around the corner lady dosado

Swing thru and then let that boy run to the right

Bend the line, boy walk and girl dodge

Boy fold behind that girl, the girls turn thru

Swing that sunshine, promenade

(Do you know) Do you know you are my sunshine

And it looks like you're always gonna be

### MIDDLE BREAK - CLOSER

Circle left

Border to border and ocean to ocean

I still look for her every place

Walk all around the corner lady, see saw round your own

Left allemande and weave the ring

(Do you know) Do you know you are my sunshine

Do you know what your smile did to me

(Do you know) Do you know you are my sunshine

And it looks like you're always gonna be
