

My Shoes Keep Walking Back To You

GMP-310

Called by
Darryl Lipscomb

OPENER

Sides face grand square
I must say that I don't care, hold my head up in the air
Even tell my friends I'm glad that you don't call
But when the day is through, my heartaches start anew
And that's when I miss you most of all
Four ladies promenade
My heart keeps reaching for you
Swing and promenade
My lips keep calling for you and
My shoes keep walking back to you

FIGURE

Heads promenade halfway around the ring
2 & 4 do the right & left thru
Pass the ocean there, all the boys extend to a girl
Each box walk & dodge and then all finish ferris wheel
In the middle square thru 3, swing and promenade
My eyes keep searching for you and
My shoes keep walking back to you

MIDDLE BREAK

Circle left
No matter how much I pretend, I wish I had you back again
For nothing means half as much as you
Walk around the corner lady, see saw your girl
Do an allemande left and now you weave
And now my arms keep reaching for you
Swing the lady there and promenade
My lips keep calling for you and
My shoes keep walking back to you

CLOSER

Four men promenade, gonna walk one time around
Hey run on back and swing and whirl your girl
Hey join up your hands and circle to the left
You're gonna move right out in time
Do an allemande left and now you weave
And my arms keep reaching for you
My eyes keep searching for you and
My shoes keep walking back to you

TAG
