

Friends For Life

GMP-404

Called by

Circle left

We grew up together playing games the children play,
Never thinking someday, we'd go our separate ways
Walk around your corner, see saw your own
Allemande left your corner, then weave the ring you roam
And we're friends, good friends, friends for life
Swing your girl and promenade, real nice
My, oh my, how the years go by
But we'll always be friends for life

FIGURE

The heads (sides) square thru and go, 4 hands around you know
Dosado with the corner girl and then you box the gnat
Fan the top for me, and now the boys run right
Wheel & deal and then, and now you slide thru
Pass thru, left allemande, come back and swing
You promenade, go round
My, oh my, how the years go by
But we'll always be friends for life

TAG

Yes we're friends, good friends, friends for life
