Start this day like all the rest

Left allemande, you do sa do now

Left allemande, weave the ring

Some broken hearts never mend

Swing that girl, promenade the ring

Some tears will never dry

My love for you will never die

Then we'll all touch a quarter and go

Scoot back now, check your ocean wave, centers trade

Swing thru tonight, let the boys run right

Pass the ocean now, all eight circulate go twice

Swing that corner, promenade so nice

Some tears will never dry

My love for you will never die
