

Good Friends

GMP-605

Called by
Jerry Justin

OPENER - MIDDLE BREAK - CLOSER

Sides face, grand square
And when the love died, I never asked why
You never know what makes it end
You said I'll see you, once again soon
And we'll always be good friends
Circle left
But the days went by and the pain it grew
Left allemande and promenade her too
I never even heard a word from you
Is that what good friends do?

FIGURE

Heads square thru in the middle of the ring you know
Meet the sides and make a right hand star
Heads star left in the middle one time, find the corner, touch 1/4
Scoot back and then, scoot back again
Keep this girl and promenade the ring
I never even heard a word from you
Is that what good friends do?
