

## Cool To Be A Fool

GMP-607

Called by  
Jerry Justin

### OPENER - MIDDLE BREAK - CLOSER

Sides face, grand square

If it was cool to be a fool I'd be the hippest guy around

If a heartache made you famous, I'd be known from town to town

If tears were made of pennies and a cold beer brought her back

My bank account and self-esteem would both be in the black

Circle left

If some Hollywood producer made a movie that was sad

About some guy

Left allemande and promenade

Hey I could be a star, if it was cool to be a fool

### FIGURE

Heads pass thru, separate go around one

Come down the middle, square thru 3

3/4 round, everybody slide thru

Go right & left thru, you turn the girl

Dixie style, you make a wave, you balance there a little while

The boys cross run, swing your corner, promenade

Hey I could be a star, if it was cool to be a fool
