All 4 ladies chain I say, then 1/2 sashay
Join 16, circle to the left around that way
4 ladies rollaway, circle left & then
Allemande left the corner girl & weave around the ring
*And keep on singing, don't stop singing
You'll be a star someday
You're gonna make a lot of people happy
When they come to hear you play

FIGURE

Head (side) couples promenade & go 3/4 round
Side pair go right & left thru, turn the girl you found
Pass thru, you dosado the outside pair and then
Fan the top, the boys move up & do the right & left thru
Flutter wheel across the floor and sweep 1/4 more
Pass thru, swing on the corner, promenade that ring
And keep on singing, don't stop singing
You'll be a star someday
And you'll make a lot of people happy
When they come to hear you play

ALTERNATE LYRICS

*Keep on singing let bells keep ringing
As you go from town to town
There's not much love in this ole world
So spread your songs around
