## OPENER

Circle left

There's a pretty brown eyed girl that sets my heart awhirl  
Who lives along the Yukon far away  
Here's where the boys star by the right  
Beneath the Northern lights  
Do an allemande left with the corner and weave the ring now  
Ooga-Ooga Mooska, which means that I love you  
If you'll be my baby, I'll Ooga-Ooga Mooska you  
Then I take her hand in mine and set her on my knee  
The squaws along the Yukon are good enough for me

## FIGURE (1)

Here's where the head two ladies chain, turn the girl and then  
Chain her right on back across the ring now  
Side two ladies chain, straight across the ring  
You chain that lady right on back again  
Well now all four ladies chain, 3/4 around the ring  
Take her by the hand and you promenade them now  
Where the Northern lights, they shine  
I'll take her hand in mine  
The squaws along the Yukon are good enough for me

## FIGURE (2)

Well the heads square thru 4 hands around you do  
When you're there split the sides around one  
Down the middle and box the gnat, pass thru right after that  
Around one, make a line of 4 and then, go right & left thru  
Turn the girl and then, slide thru and the corner swing  
Swing the corner lady and promenade that ring  
Where the Northern lights, they shine  
I'll take her hand in mine  
The squaws along the Yukon are good enough for me

## MIDDLE BREAK
