OPENER - MIDDLE BREAK - CLOSER

Circle left

Soft are the lips that wake me in the morning

Boys star by the right, once around tonight

You do a left allemande, weave the ring

Warm is the love you make me keep on wanting

Swing and promenade

Soft, sweet and warm is the love that you give me every time

FIGURE

Heads square thru 4 hands around you do

When you're there, do a right & left thru

Veer left and then, couples circulate one time

Chain down the line, you're doing fine

Slide thru and do an eight chain 3 (1...2...3)

And do an allemande left, swing and promenade

Soft, sweet and warm is the love that you give me every time

TAG
