

## **All My Loving**

GMP-707

Called by  
Nate Bliss

### **OPENER - CLOSER**

Sides face grand square

Close your eyes and I'll kiss you, tomorrow I'll miss you

Remember I'll always be true

And while I'm away I write home every day, and send all my loving to you

Allemande left and weave the ring

All my loving, I will send to you

Swing that lady and you promenade her too

All my loving ... All my loving ... All my loving I will send to you

### **FIGURE**

Heads dosado, then square thru my friend

Sides face your partner grand square

Heads cloverleaf and then walk in and pass thru

Heads cloverleaf again and you walk right in,

Heads you square thru 3/4 around and then

Swing the corner and promenade the town

All my loving ... All my loving ... All my loving I will send to you

### **MIDDLE BREAK**

Four ladies chain across the ring you go

All four ladies flutter wheel across

Join all your hands and circle left a while

Left allemande the corner weave the ring

All my loving, I will send to you

Swing that lady and you promenade her too

All my loving ... All my loving ... All my loving I will send to you
