GMP-802

OPENER - MIDDLE BREAK - CLOSER

Sides face, grand square
Every night, I'm lying in bed
Holding you close in my dreams
Thinkin' about all the the things that we said
And coming apart at the seams
Allemande and weave
We try to talk it over, but the words come out too rough
Swing, promenade
I know you were trying
To give me the best of your love

FIGURE

The heads (sides) promenade go halfway around now
Walk in and square thru you know
Go all the way then do the right & left thru now
Veer left and circulate and go
Chain down the line, turn the girl and then you square thru 3
Step out, swing the corner and promenade
Oh, but here in my heart
I give you the best of my love

TAG

Ladies chain over and back
Here in my heart
Oh, I give you the best of my love
