## OPENER

Circle left

Hello yea it's been awhile,  
Not much...How 'bout you  
Left allemande, turn your partner by the right  
Left allemande the corner and weave...  
I'm not talkin' bout movin in,  
and I don't want to change your life  
But there's a warm wind blowin the stars around  
And I'd really love to see ya tonight

## FIGURE

Heads (sides) make a left hand star & turn it around  
Face the corner girl, dosado  
Star thru & then reverse the flutter, my friend  
You rollaway and go box the gnat  
You pass the ocean, then the girls will trade  
Swing that boy, promenade  
There's a warm wind blowin the stars around  
And I'd really love to see ya tonight

## MIDDLE BREAK

Sides face, grand square  
Well, I was thinkin maybe later on  
That we could get together for awhile  
It's been such a long, long time  
And I really do miss your smile  
Allemande and weave  
I'm not talkin' bout movin in  
And I don't want to change your life  
But there's a warm wind blowin the stars around  
And I'd really love to see ya tonight

## CLOSER

Circle left

I won't ask for promises  
So you won't have to lie  
Allemande the corner, turn a right hand with your girl  
Do an allemande the corner & you weave  
I'm not talkin' bout movin in  
And I don't want to change your life  
But there's a warm wind blowin the stars around
