Circle left

You were mine for just a while,
Now you're puttin' on the style
Well now the men star right one time,
Left allemande and you weave the ring
You're the gossip of the town
But my heart can still be found
Promenade
Where you tossed it on the ground
Pick me up on your way down

FIGURE

Heads (sides) square thru you know,
Around the corner do a dosado
Swing thru and then boys trade my friend
Spin the top let the boys move up
Recycle round, pass the ocean and the boys fold
Girls U-turn back, swing and promenade

TAG

When they take away your crown
Pick me up on your way down
