

The Lion King

GMP-907

Called by
Larry Letson

OPENER - MIDDLE BREAK - CLOSER

Four ladies promenade, go walkin' on around that ring
Get back swing your man, swing it with the Lion King
Join hands and circle to the left go 'round the floor
Allemande that corner girl, weave the ring with a lion roar
*Everybody look left, everybody look right
Everywhere you look I'm standing in the spotlight
It's gonna be King Simba's finest fling
Oh, I just can't wait to be King

FIGURE

Head couples promenade go halfway 'round that floor
Down the middle star thru, same girl California twirl
Swing thru the outside pair and spin the top for me
Without a stop go right & left thru and turn you see
Star thru, eight chain two you do
Box the gnat with the corner,
swing and then you all promenade
It's gonna be King Simba's finest fling
Oh, I just can't wait to be King

*No more saying "do this", no more saying "be there"
No more saying "stop that", no more saying "see here"
Free to run around all day, free to do it all my way
