

Double Bogie Blues

GMP-914

Called by
Larry Letson

OPENER - MIDDLE BREAK - CLOSER

Circle left

*It's early Sunday morning and the sun is coming up
I'm headed for the golf course, I'm ready to try my luck
Left allemande the corner, turn your partner by the right
Left allemande the corner and you weave the ring tonight
Straighten that left elbow, slightly bend your knees
Swing the lady round and promenade if you please
Help me keep my head down
Save me from the "Double Bogie Blues"

FIGURE

Heads you promenade your lady half around the floor,
Walk in square thru, somebody yell 'fore!
Go all the way, a right & left thru
Eight chain 2, tell me what you gonna do
You touch 1/4, scoot back, come back and swing
Swing your lady there and promenade that ring
Help me keep my head down
Save me from the "Double Bogie Blues"

ALTERNATE LYRICS

*I took out my driver, checked my stance and grip
I'm trying to remember every Nicholas tip

*I started out with 3 balls, now two of them are lost
Got 200 yards of water I gotta get across

TAG

I'll be back in church next Sunday
Save me from the "Double Bogie Blues"
