Circle left

*She is fixed in his mind like a picture
He's kept in his wallet for years
Left allemande the corner, come on back a dosado
Allemande left that corner, weave the ring
And the moon is still over her shoulder
And the ribbon is still in her hair
And he can still see her dancing
And the music is still in the air

FIGURE

Heads promenade and travel halfway
Down the middle, square thru go 4
All the way and then a right & left thru and turn the girl
Veer left and ferris wheel once more
Square thru 3/4 round that ring now
Swing the corner girl and promenade
**And she never gets one minute older
And he is still falling in love

ALTERNATE LYRICS

*Sometimes he finds it amazing
The way she's still turning his head

**And the stars are still falling above

TAG
