### **OPENER - MIDDLE BREAK - CLOSER**

Circle left

I took a little trip back to my hometown  
I only stopped just to look around  
Left allemande, turn partner by the right  
Left allemande and weave the ring tonight  
And as I walked along the thoroughfare  
There was music playing everywhere  
The birds were singing  
Swing and promenade  
The bells were ringing...really ringing

### **FIGURE**

Heads square thru 4 hands and go  
To the corner lady there and do a dosado  
Swing thru and then those boys run right  
Do a half tag and then you scoot back tonight  
Boys run around this girl, slide thru and swing  
Take her by the hand and promenade the ring  
Oh what a feeling...ooohh yea  
My heart was reeling...really reeling
