

Rollin' With The Flow

GMP-919

Called by

OPENER

Circle left

Once was a thought inside my head
'Fore I reached thirty I'd be dead
Left allemande, dosado
Left allemande and weave the ring
Folks said that I would change my mind
I'd straighten up and be just fine
Ah, but I still love rock and roll
So I keep on rollin' with the flow

FIGURE

Heads square thru four hands and go
Round that corner dosado (make an ocean wave)
Ladies trade, recycle there
Star thru and do the right & left thru (turn the girl around you do)
Square thru and count to three
Swing that corner, promenade
And it's on and on I go
I keep on rollin' with the flow

MIDDLE BREAK

Circle left

I've got my angel raisin' kids
I'm raisin' hell just like I did
Left allemande, dosado
Left allemande and weave the ring
I've got a lot of crazy friends
And they forgive me of my sins
And Jesus loves me, yes I know
So I keep on rollin' with the flow

CLOSER

Circle left

Can't take it with you when you're gone
But I want enough to get there on
Left allemande, dosado
Left allemande and weave the ring
Some might be callin' me a bum
But I'm still out there havin' fun
And I ain't never growin' old
If I keep on rollin' with the flow
