GMP-920

Called by

### OPENER - MIDDLE BREAK - CLOSER

Sides face, grand square  
Country boy, you've got your feet in L.A.  
But your mind's on Tennessee  
Looking back, I can remember the times  
When I sang my songs for free  
4 ladies chain across, you turn the girl & then  
Chain her back and promenade along  
But now and then my heart keeps goin' home

### FIGURE

Heads (sides) promenade 1/2 way around  
While the sides go right and left thru  
Square thru and go 4 hands and then  
Dosado and eight chain 4  
When you're surrounded by friends  
They say the fun never ends  
Swing and promenade her around  
But in the back of my mind I hear it time after time  
Is this what it's all about
