

Come Monday

GMP-922

Called by
Jerry Justin

OPENER - MIDDLE BREAK - CLOSER

Circle left

Headed up to San Francisco, for the Labor Day weekend show

Men star right once around the ring

Left allemande you're gonna weave the ring

Come Monday, it'll be alright

Swing your girl, promenade her tonight

I spent four lonely days in a brown L.A. haze

And I just want you back by my side

FIGURE

Heads square thru four hands and go now

All the way, touch 1/4

Split circulate, boys run right

Reverse flutter wheel ...

Pass the ocean, swing thru, boys trade

Swing that corner then you all promenade

I spent four lonely days in a brown L.A. haze

And I just want you back by my side

ALTERNATE LYRICS

Yes it's been quite a summer, rented cars and west bound trains
