

Blueberry Hill

GMP-923

Called by
Mike Sikorsky

OPENER - MIDDLE BREAK - CLOSER

Circle left

I found my thrill, on Blueberry Hill

Men star right one time

Left allemande, weave the ring now

The moon stood still

Swing your girl and promenade

For you were my thrill, on Blueberry Hill

FIGURE

Heads (sides) pass the ocean, extend and recycle

You veer left, then you chain down the line

Dixie style, make a wave

Boys trade, girls run (crowd in)

Girls trade, couples trade

Boys fold and swing your lady, promenade

For you were my thrill, on Blueberry Hill
